### ABOUT US

The I Dream 4 All Foundation is proud to introduce and produce the Hollywood and African Prestigious Awards (HAPAWARDS) for 2019. The HAPAWARDS promises to be a captivating and strategic event designed to bridge the gap between Africa and the Western World in areas of Entertainment, Culture, and the Business Community.

## WELCOME

Thank you for your interest in the HAPAwards. HAPAwards honors American and African community leaders, international political figures, dignitaries, celebrities and stars who are pioneers in motion pictures, arts, music and comedy. As an organization bound to celebrating outstanding achievements of artists in various entertainment genres, our vision is to continue blending cultures, promoting the beauty and richness of Africa and America while spreading peace throughout the world. We stand together in harmony with the African and Hollywood music, films and comedy entertainment industry, while supporting positive and respectful messages to the world especially about Africa.

We are recruiting cultural vendors to round out our concession offerings. The criteria for selection will emphasize uniqueness, high-quality, and artist-made product. Selected food and beverage concessions will provide healthy and diverse menus while meeting health and safety standards, complying with Los Angeles County Health Department regulations.
